ARKANSAS HEARD FROM. TESTIMONY OF MEDICAL MEN. Stony Point, White Co., Ark., May 23, '66.
DR. JOHN BULL-Dear Sir, -Last February
I was in Louisville purchasing drugs, and I

got some of your Sarsaparilla and Cedron Bit-Dr. Gist, who has been in bad health, has BATTLE HOUSE, tried them, and he also improved. My son-in-law, who was with rie in the store, has been down with rheumatism for sometime, commenced on Bitters and soon found his general health improved. Dr. Coffee, who has been in bad health for several years-stomach and liver affected-he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think could sell a great quantity of your medicines this fall—especially of your Cedron Bitters and Sarsaparilla. Ship me via Memphis, care of Rickett & Neely. Respectfully.

Readers.

I have received many testimonials from deeld3m | professional and medical men, as my almanacs and various publications have shown, all of which are genuine. The following letter from a highly educated and popular physicion in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of BULL'S WORM DESTROY-

VILLANOW, WALKER COUNTY, GA., June 29, 1866. DR. JOHN BULL-Dear Sir:-I have recently given your "Worm Destroyer" several trials, and I find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line of M. D.'s, but I see no just cause or good sense in discarding a remedy which we know to be efficient, simply because we may be ignorant of its combina-Orders solicited and promptly filled tions. My general health is impaired. and I need something to assist nature. I have more faith in your Sarsaparilla than in anything else. I wish that that is genuine. Please express me half a dozen bottles, and oblige CAPT. C. P. JOHNSON. St. Louis Mo.

P. S. The following was written April 30, 1865, by Mrs. Jennie Johnson, Mother of Capt. Johnson.

Dr. Bull-Dear Sir: My husband, Dr. C. S Johnson, was a skillful surgeon and physician in Central New York, where he died leaving the above C. P. Johnson to my care. At thirteen years of age he had a chronic diarrhea and scrofula, for which I gave him your Sarsaparilla. It eured him. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. The cures effected in some cases of scrofula and fever sores were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious arrecover.

CHILLS and FEVER

The proprietor of this celebrated medicine

justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and South-western country to bear him testimony to the truth of the assertion, that in no case whatever will it fail PRICES REDUCED TO SUIT THE TIMES, to care, If the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however prudent, and in after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order should the patient, however, require a thartic medicine, after baving taken three four does of the Tonic, a single dose BULL'S VEGETABLE FAMILY PILLS will be sufficient. I have great pleasure in certifying that I have tried

Having had lately an opportunity to try and test your new scale Grand as well as Square Planos, I cannot refrain, besides reiterating all I had occasion to say at a former period, from congratulating you on the important in-provements you have introduced in the manufacture of Pianos. Your instruments combine all, the qualities which are required to make a Planos.

the qualities which are required to make a Piano as per-fect as possible, and fully deserve the great popularity they have gained all over the country.

I cannot but congratulate you upon the immense progress and improvements which you continually make on your Pianos, which, in my opinion, rank among the very best in the country.

M. STRAKOSCH.

Our Opera Troupe are at present using four of your justly celebrated Planos, and as the exponent of the views and opinions of the various artists, permit me to say: I consider them as unsurpassed in brilliancy and extence, and pre-eminent, without a rival in this country or in Europe. Their superior quality of tone, combining great depth and powerful volume, with a rich and peculiarly clear and even treble, together with magic elasticity of touch and action, render them superior to the other instruments, which rarely, if ever, combine those most essential requisites. Profoundly impressed with the many valuable qualities of these

I have carefully examined your new scale Grand and Square Plano Fortes, and I must say that they please
